

BUSINESS GROWTH ACCELERATOR WORKSHOP

ACCELERATOR WORKSHOP.

Accelerator is a day like no other.

At a prestigious location, along with other like-minded business people, you'll be shown how strategy can transform your business.

By using the tried and tested BGI Strategy on a Page, we'll take you through all aspects of your business – Marketing, Sales, Operations, Cash and Talent, exploring where your strengths and weaknesses lie, and giving you the clarity you need to go forward.

We also look at the essential areas for business growth: Purpose, Vision, Values, USP, Company Promise, Market Space, Long, Mid and Short-term Strategies, Business Growth Indicators.

You have high hopes for your business. Accelerator can give you something even more valuable - certainty.

WHAT THE ACCELERATOR WORKSHOP DELIVERS.

A day with a Business Leader who
will explain why strategy is vital to your company.

A day that will reactivate your business
by revealing the areas you need to work on.

A day that will bring clarity to running
your business.

A day that will make you look at your business
with a fresh perspective.

A day that gives you a 90-day plan to take your business forward.

**“ The first time
I came on Accelerator
and started working with
Strategy on a Page
I doubled my turnover
within three months.
It transformed the way
I view my business.”**
